Re: Notice of Non-Compliance, Level 2 – Special Education – Extended

Dear Ms. Calloway and Mrs. Woods,

I am writing to inform you that Mary D. Coghill's ("Coghill") Notice of Non-Compliance, Level 2: SPED Compliance is extended to December 13, 2019.

The NOLA-PS team reviewed student files identified in the original and extension L2 notices of noncompliance for SPED and determined that while improvements were made, continued attention to compensatory service provision is needed.

Based upon our review of SPED files on Monday, November 11, 2019, it is apparent that progress has been made towards fully compliant service logs with a few components still needing to be addressed.

To address this non-compliance concern, Coghill will need to successfully complete the following:

1. Submit to NOLA Public Schools ("NOLA-PS") no later than November 22, 2019:
 - a. A summary of the IEP Team meetings including the school's plan for providing appropriate compensatory services for each area of need that details the time, location, service providers, and any other relevant information pertaining to such providers for each of the nine (9) students listed in the initial notice of noncompliance
 - b. Copies of the compensatory service letters signed by the parent documenting notification of services, the time required, and whether or not the parent has accepted the offer of services for all the students listed in the initial notice of noncompliance.
 - c. Written procedures in place for the documentation and monitoring of all service provisions.
2. Compensatory Service logs that are up-to-date for all academic and related service provisions for students identified in the initial notice of noncompliance.

We look forward to your compliance by the determine timelines outlined in this correspondence.

Please contact Gayla Robbins Mair at gmair@nolapublicschools.com with any questions that you may have regarding this letter.

This Notice of Non-Compliance, Level 2 will remain open until all of the above requirements are satisfied.

Yours in Education,

Kelli R. Peterson, Ed.D.
Chief Portfolio Innovation & Accountability Officer
